

TACOMA MUSIC LAB MAY 2024

IT'S CONCERT SEASON!

We have about 6 weeks left before our big Spring Concert (June 8, 1:00 PM at Urban Grace), and your students have picked some really fun repertoire to play for you. Lots of Disney, movie music, and.....Taylor Swift.

Keep practicing, and make note of our upcoming dates; a piano party on May 18, a closure on May 27 for Memorial day, and of course, our concert on June 8!

SUMMER SCHEDULING

As we approach summer, many of you (especially new families) will have questions about how lessons work when school is out. I am currently cooking up a new approach for summer scheduling that will make life much easier for everyone who travels, and will afford more flexibility for everyone in general. Stay tuned, I'll release a separate info-sheet about it in the weeks leading up to the concert!
